

Sound Seal Celebrates 40 years of noise control

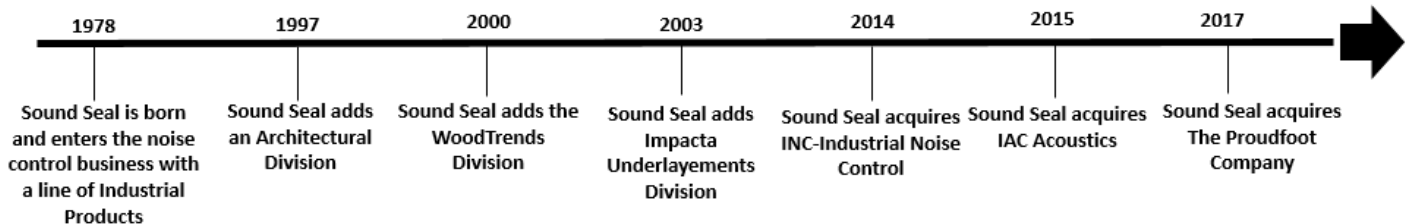

AGAWAM, Mass. – August 1, 2018 – [Sound Seal](#), a leading manufacturer of noise control products serving the industrial, architectural, commercial and construction industries, is celebrating 40 years of success in noise control.

Since 1978, Sound Seal has been a leading manufacturer of acoustical noise control products, offering the widest product selection in the soundproofing industry with innovative solutions and outstanding customer service. Sound Seal consists of three product divisions: the Industrial Division that addresses in-plant and environmental noise control; the Architectural Division that handles interiors and finishes, including an award winning line of WoodTrends products; and the Impacta Flooring Division that offers floor underlayments. In December of 2015, Sound Seal expanded by acquiring IAC Acoustics, based in North Aurora, IL. IAC Acoustics is a division of Sound Seal and offers Acoustic metal solutions including HVAC silencers, acoustic louvers, sound control architectural doors and windows and sound proof rooms.

Sound Seal is based out of Agawam, Massachusetts and employs over 150 people between Agawam and North Aurora.

“Sound Seal is very grateful to be celebrating 40 years of service to our customers, employees, and community.” Said Joe Lupone, CEO of Sound Seal. “We are fortunate that our value proposition of **controlling noise in every environment** continues to stand the test of time. Thank you to all of the stakeholders who have helped us more than double the business since 2014, we look forward to writing the next chapter with stories about more products and solutions for our customers”.
