BARREL SOUND DIFFUSERS

Sound Quality® Barrel Shaped Sound Diffusers are perfect for applications that require a high degree of sound diffusion, such as music rooms, band rooms, recording studios and concert halls. They are lightweight and easy to install.

Barrel Shaped Diffusers are constructed of high strength reinforced fiberglass molded in a one piece barrel shape. The diffusers are finely tuned to reflect sound.

FINISHES

- Standard white Gel-coat
- Fabric: Guilford of Maine (FR701 Style 2100 is standard)
- Designer and customer specified fabrics are available
